Bradley University
Summer Forensics Institute
Student Petition for Scholarship

Special funds have been reserved to assist students who have financial need. Scholarship awards vary from $50 to $400 per award. In order to be eligible for consideration, please complete the application, including a recommendation by a high school principal or superintendent. You will be notified, before the start of the Institute, if you have been awarded a scholarship.

Application due no later than June 8, 2009

*Special scholarship money has been set aside to assist talented students who can **demonstrate need**. Please describe why you believe your child qualifies for financial assistance. Remember, the aid is based primarily on need, not talent alone.*

_____ _____
Parent's Signature Date

To be completed by High School Principal or Superintendent: *Please verify the student's need for financial assistance. Example: A family on free or reduced lunches; a family which has experienced a recent death or unemployment; etc. Scholarships are designed for promising students who, without some financial help, would most likely be unable to attend this summer workshop.*
