Message from the President...

As spring begins to show its promise of another season of growth, so too does the Institute for Learning in Retirement (ILR). We offer another opportunity to cultivate, plant ideas, and grow together as we experience the offerings of another term of learning.

We invite each of you who are 55 years or more, who are retired, who have the time, who are interested in being a life long learner, to join us for another session of fellowship, in exploring a variety of interesting subject matter, and to share the experience with a wonderful group of your peers.

We will once again offer "shuttle service" from Westminster Church, 1420 West Moss from 7:30-9:00 a.m. and 2:00-4:00 p.m. for each session on April 2, 9, 16 and 23.

You are invited to examine the offering of courses, fill out the registration form, and join us for our spring 2003 ILR "Kick-Off Luncheon," on Wednesday, March 19, 2003. This is a special time to renew old friendships, and to explore new relationships as we continue to sow the seeds of learning, watch the ideas bloom, and reap the benefits of the ILR at Bradley University.

John A. Mason, President
