

UNDERGRADUATE STUDENT PETITION TO ENROLL IN SUMMER SESSIONS, FOLLOWING SPRING DISMISSAL

An undergraduate student who is academically dismissed at the end of the spring semester may petition the Dean of his or her College for permission to enroll in summer courses in the first and/or second summer session at Bradley so long as an overall grade point average of 2.00 could reasonably be obtained as a result of this course work. Enrollment must occur in the summer subsequent to receiving notice of dismissal. A student who does not meet this qualification, or who is not approved by the Dean for summer enrollment, may petition the Academic Review Board for summer reinstatement.
